

BLACK CANVAS QUILTED MITTEN

Part No. **CB130**

Part No. **CB170**

Part No. **CB240**

A Glove Designed for Food Service and Commercial Kitchens Heat Resistant to 450°

This heat resistant canvas mitten provides protection up to 450°. Available in 3 lengths, this mitten is ideal for applications where ovens, steamers and other equipment where radiant heat contact is a concern. This mitt is quilted and made from high quality canvas and offers a hangtag loop for safe storage when not in use.

OUR MITTEN FEATURE:

- Tough and Durable 100% Cotton Canvas Material
- Withstands Radiant Temperatures up to 450° F
- Not Recommended for Open Flame Contact
- 13", 17" & 24" Lengths Available
- Quilted Sewn Pattern
- Strong Sewn-in Loop for Easy Storage
